

Compensation Amount Based on Great-Circle Distance

If you've experienced a cancelled or delayed flight, it's important to know that you have the right to compensation - it's your legal right!

The compensation amount may range from **250 to 600 EUR**, depending on:
Great-circle distance (the shortest distance between your departure and final destination)

Waiting time (until you reach your final destination).

For example:

- up to 1500 km → **250 EUR**
- between 1500-3500 km → **400 EUR**
- over 3500 km → **600 EUR**
